AWARDS:

We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

I've been making sculptures of partial and open figures. The innate grace of blown glass yields inspiration. The blown shapes then become actual molds for major parts of my pieces.
